Our Mission Statement
The people of Hawaii are one ohana. The Hawaii Foodbank provides food so that no one in our family goes hungry. We work to gather food and support from our communities. We then distribute food through charitable agencies to those in need. Our mission is from the heart, and we will fulfill our mission with integrity, humanity and aloha.

The Hawaii Foodbank stores mass quantities of food in our warehouses so that it can be distributed through our 501(c)(3) non-profit partner agencies. Please see below a list of organizations that are able to help you through this difficult time (please note that days and times may change without notice.) If you need general help, please call 211 and they can direct to other services.

Please remember to bring your own bags if possible. Carts are especially helpful when you attend the Ohana Produce Plus Program Distributions.
