2023 ANNUAL REPORT

Aloha

anaho, ^{ano d}uihsianow

FAMILY AND FRIENDS OF HAWAI'I FOODBANK,

It is my honor and privilege to share Hawai'i Foodbank's 2023 Annual Report with you. This year is especially meaningful as 2023 marked Hawai'i Foodbank's 40th year of serving our community.

From the beginning, Hawai'i Foodbank has considered everyone who lives in this special place part of our 'ohana. And here in Hawai'i, we take care of each other. I was recently at a gathering of our agency partners where someone said, "Food is our love language" – and that really resonated with me. It reminds me that food connects us. It nourishes not just our bodies but our hearts. It connects us to places, to the land – 'āina, that which feeds. It connects us to our families, our history and our heritage. It connects us to each other. Some of our most special memories are centered around food. It's one of the most beautiful ways we share our cultures and traditions with one another. To break bread together is to make people feel welcome, and such a deeply meaningful way to care for someone is to feed them.

But for Hawai'i Foodbank, while food is what we do, we're really not about food. We're about people.

We hold the people we serve at the center of everything we do. That is where our 'ohana starts: with those we serve. Over the last 40 years, it has been a privilege for the Foodbank to bear witness, firsthand, to the compassion of our community. In my time here, I'm continually in awe of how great the outpouring of aloha is when people need help. Our community has banded together time and again to demonstrate just how strong, resilient and supportive of one another we are. Through government shutdowns, natural disasters, a worldwide pandemic and, most recently, the Maui wildfires – we have seen over and over how our community cares for each other as 'ohana.

Through it all, our mission is possible because of the incredible support of our community and people like you. Last fiscal year alone, we collectively distributed food for more than 14.7 million meals to an average of over 120,000 people each month – providing important nourishment to families, kūpuna, people with disabilities, veterans and roughly 1 out of every 4 keiki across Hawai'i. On top of that, our community's partnership is helping us expand our services with sharper focus on nutrition security, increasing equitable access to good and healthy foods, building resilience across Hawai'i's food system, and strengthening partnerships to fight hunger in new ways. With this, our vision is a future where everyone in Hawai'i has consistent access to safe, nutritious and sufficient food all year round.

As we carry our mission into the future, we are honored and humbled to share in the legacy of all the incredible people who have dedicated their lives to nourishing our 'ohana over the last 40 years. We are grateful to the many partners, supporters, volunteers, funders and staff who have come together to make this all possible. I look forward to continuing our work together. It is because of you that we will never lose sight of our most basic commitment: to ensure no one in our 'ohana goes hungry.

Serving the people of Hawai'i for 40 years

Our MISSION

At Hawai'i Foodbank, our mission is to nourish our 'ohana today while we work to end hunger tomorrow.

ABOUT HAWAI'I FOODBANK

Hawai'i Foodbank is a nonprofit 501(c)(3) organization that provides food assistance to the State of Hawai'i. As Hawai'i's largest hunger-relief organization, we distributed more than **17.7 million pounds of food**, including **5 million pounds of fresh produce**, on O'ahu and Kaua'i in fiscal year 2023.

Hawai'i Foodbank serves O'ahu and Kaua'i directly while partnering with Maui Food Bank to serve Maui County and The Food Basket to serve Hawai'i Island. Together, we serve the daily needs of our communities, increase access to safe and nutritious food, and advocate for policy change. Together, we are working to end hunger across the entire state.

Working Together to END HUNGER IN HAWAI'I

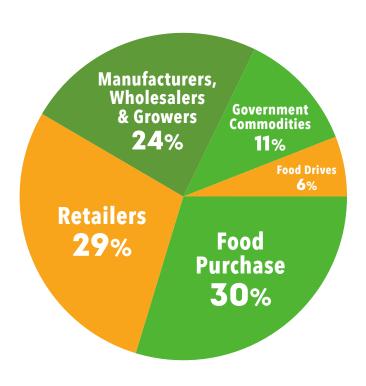

Hawai'i Foodbank is a certified partner of **Feeding America** – the nation's largest hunger-relief organization, encompassing a network of 200 food banks across the United States. Certification means Hawai'i Foodbank is held to the highest standards for food handling, storage and distribution, financial management, organizational stability, board governance and more.

Hawai'i Foodbank is also a proud agency partner of Aloha United Way and Kaua'i United Way.

2023 ANNUAL REPORT HAWAIIFOODBANK.ORG

FLOW OF FOOD

SOURCES OF FOOD

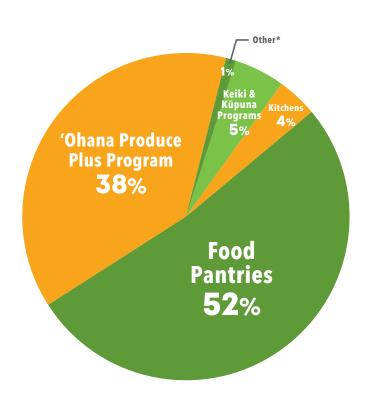

Hawai'i Foodbank operates out of two locations: our 23,000 square-foot warehouse on O'ahu and our 4,750 square-foot warehouse on Kaua'i. Both warehouses are AIB inspected and certified for food safety. In our warehouses, we receive, inspect, sort, inventory, store, and distribute perishable and nonperishable food.

We receive food from food manufacturers, farmers and growers, food purchases, food retailers and wholesalers, Feeding America and other food bank partners, individual and corporate food drives, government commodities, and other supporters.

DISTRIBUTION OF FOOD

Hawai'i Foodbank partners with food pantries, homeless shelters, soup kitchens, domestic abuse shelters, rehabilitation centers and others to distribute food through feeding programs like the following: 'Ohana Produce Plus, multiple Food 4 Keiki programs, Kūpuna Fresh, the Senior Farmers' Market Nutrition Program and the Senior Food Box Program.

* This includes neighbor islands; shelters; and residential, rehabilitation, pet, hygiene and other relief programs.

2023 ANNUAL REPORT HAWAIIFOODBANK,ORG

HUNGER touches EVERYONE

After her husband passed away, and Alyson retired last June, she was faced with the possibility of not being able to afford fresh produce – because of how much it costs while living on a fixed income. Fortunately, she was able to sign up for a new food subscription program from agency partner 'Elepaio Social Services. The program provides community members with greater access to fresh, locally grown produce. For Alyson, this means an opportunity to reconnect with her health and heritage.

The Persistent NEED

In the aftermath of the pandemic, many families are still struggling to make ends meet. Over the last three years, Hawai'i has seen an average increase of 25% in food prices – making it more difficult for families to access enough nourishing meals. Last fiscal year, an average of over 120,000 people on O'ahu and Kaua'i turned to Hawai'i Foodbank for help each month.

With increasing pressures from inflation, many individuals and families in Hawai'i find themselves **making impossible choices between food and other basic necessities**. This means opting for cheaper, unhealthier food options and skipping meals. To get by, many even forego essential needs like housing, medicine, utilities, education and transportation.

Hawai'i Foodbank is here to help. We work closely with our **network of 200 agency partners** to ensure the communities we serve have access to the nourishment we all need. Last fiscal year, we distributed food for more than **14.7 million meals**. Of that food, **more than a quarter of which was fresh, healthy produce**.

HAWAIIFOODBANK.ORG 2023 ANNUAL REPORT 7

NOURISH

'OHANA PRODUCE PLUS

For more than 25 years, Hawai'i Foodbank and participating agency partners have distributed millions of pounds of fresh produce, assorted dry goods and nonperishable food items to underserved communities through the 'Ohana Produce Plus program. Recipients of this program include families with low income, people with disabilities, houseless individuals and more. For many people, 'Ohana Produce Plus is their only source of fresh fruits and vegetables.

Last fiscal year, Hawai'i Foodbank worked with over 40 agency partners on O'ahu and Kaua'i to distribute more than 6.6 million pounds of fresh produce, baked goods, dairy, eggs, cereal, snacks, beverages, canned goods and other items.

FOOD 4 KEIKI

SCHOOL PANTRY PROGRAM

The Food 4 Keiki School Pantry program serves as a **critical food resource for students of all ages, their siblings and their families.** The School Pantries provide healthy snacks for students during the day, as well as the opportunity to take a bag of food home to their families for the weekend. Bags are filled with canned proteins, canned meals, dry goods, snacks and more.

Last fiscal year, our School Pantry program served 36 sites on O'ahu and Kaua'i. The program distributed over 340,000 pounds of food to more than 29,000 keiki and their families throughout the 2022-2023 school year.

SUMMER MEALS PROGRAMS

Last fiscal year, Hawai'i Foodbank piloted its first Summer Food Service Program (SFSP) in partnership with the U.S. Department of Agriculture. This federal child nutrition program was launched alongside the already established Feeding Our Future summer lunch program. Both summer programs **provide students with meals and snacks during a critical time when they don't have access to their regular school meals**.

Together, the Summer Meals Program and Feeding Our Future distributed more than 11,400 meals last fiscal year. Through a total of 10 different sites, Hawai'i Foodbank provided summer food to nearly 900 students.

Our Ohana

KŪPUNA PROGRAMS

SENIOR FARMERS' MARKET NUTRITION PROGRAM

The Senior Farmers' Market Nutrition Program provides low-income seniors with greater access to fresh fruits and vegetables. Program participants can redeem vouchers for items like fresh produce, herbs and honey at participating farmers' market vendors. This program is provided in partnership with the State of Hawai'i and the Office of Community Services.

From April to October 2023, the Senior Farmers' Market Nutrition Program served more than 7,300 certified participants on O'ahu and Kaua'i.

SENIOR FOOD BOX PROGRAM

The Commodity Supplemental Food Program, otherwise known as the Senior Food Box Program, distributes food boxes to improve the health and well-being of seniors with low income. Boxes contain supplemental foods such as fruits and vegetables, canned meat, rice, cheese, cereal, juice, peanut butter, non-fat dry milk, and more. This program is provided in partnership with the State of Hawai'i and the Office of Community Services.

Last fiscal year, the Senior Food Box Program served more than 2,000 qualified seniors on O'ahu and Kaua'i – providing food for more than 475,000 meals throughout the year.

KŪPUNA FRESH

Kūpuna Fresh operates in conjunction with the Senior Food Box Program in order to provide more fresh fruits and vegetables to seniors in need of food assistance. Through the program, participating seniors receive an 8- to 9-pound bag of produce each month comprised of items such as eggplant, sweet potatoes, squash, tomatoes, lettuce, cucumbers, mango, bananas, papaya and more, depending on availability. Special attention is paid to ensuring the produce is culturally meaningful to the communities we serve, that it can be easily prepared and that the bags are not too heavy for seniors to carry.

Last fiscal year, Kūpuna Fresh distributed more than 31,000 pounds of nutritious, locally sourced fruits and vegetables at eight different locations on O'ahu and Kaua'i.

NOURISHING Kaua'i AND WORKING TO END HUNGER

Hunger on Kaua'i continues to persist at some of its highest levels in the last century. Inflation and rising food prices have exacerbated hunger on the Garden Island As a result, more than 10,000 Kaua'i residents continue to struggle with hunger, and this includes 1 in 4 keiki.

In fiscal year 2023, Hawai'i Foodbank Kaua'i and its network of nearly 40 agency partners continued working together to ensure families, keiki, kūpuna and individuals facing hunger received the food they needed during this difficult time. Over the last year, Hawai'i Foodbank Kaua'i:

- Distributed **food for 1.4 million meals**, including 250,000 pounds of fresh fruits and vegetables.
- Stocked 13 School Pantries throughout the County of Kaua'i, including Ni'ihau, to provide young students with after-school snacks and supplemental food bags to take home to their families.

- Provided more than 2,800 nutritious snacks to nearly 900 students through the Kaua'i Summer Snacks program.
- Provided nearly 2,400 Senior Farmers' Market
 Nutrition Program vouchers to kūpuna to purchase fresh produce at farmers' markets.
- Expanded upon programs like Kūpuna Fresh and the Farm to Foodbank produce purchase program, demonstrating our commitment to providing more nutritious, locally sourced food to the communities we serve.

Looking ahead, Hawai'i Foodbank Kaua'i will continue working diligently to strengthen its nutrition programs, build and nurture partnerships, and create communityled solutions – all while continuing to respond to the immediate, ongoing needs of communities throughout the Garden Island.

n 1983, John White, local truck driver Ron Keith and a group of dedicated community leaders opened the doors to Hawai'i Foodbank as a response to the hunger they had seen developing in the communities around them. Their vision laid the foundation for the work we do today. Over the next forty years, the Foodbank's steady service to the community would establish it as a stalwart for those in need of food assistance.

We're proud of what we've accomplished over the last four decades – providing critical food assistance to those facing hunger daily, creating a variety of

programs to make it easier for families and individuals to access food, helping establish food banks as integral disaster response organizations, and expanding the quantity and variety of foods sourced and distributed.

Through it all, the Foodbank has remained steadfastly focused on one thing: keeping people at the center of everything we do. With this ideal in mind, the Foodbank has built an incredible 40-year history while also recognizing the importance for investing in new initiatives to reduce hunger for future generations. Let's take a closer look back:

HAWAI'I FOODBANK WAS BORN

With support from his community, John White founded Hawai'i Foodbank with the intent of providing food so that no one in Hawai'i goes hungry. All the equipment used was donated by local companies and included a flatbed truck, two refrigerated containers and a three-ton forklift.

In the first month of operation, the team distributed 4,000 pounds of food. By the end of its first year of operation, Hawai'i Foodbank distributed 380,000 pounds of food while working with 75 agency partners.

BREAKING GROUND

Hawai'i Foodbank opened the doors to its new warehouse in Māpunapuna, making it the largest and most efficient food bank facility in the state.

The National Association of Letter Carriers' Stamp Out Hunger Food Drive and Check-Out Hunger were both held for the first time – and both continue today.

'OHANA PRODUCE PLUS

Hawai'i Foodbank launched the 'Ohana Produce Plus program with the goal of salvaging and distributing a more diversified, healthy and balanced selection of food to the community. In its first year, the volume of fresh fruit and vegetables offered by the Foodbank tripled.

2023 ANNUAL REPORT HAWAIIFOODBANK.ORG

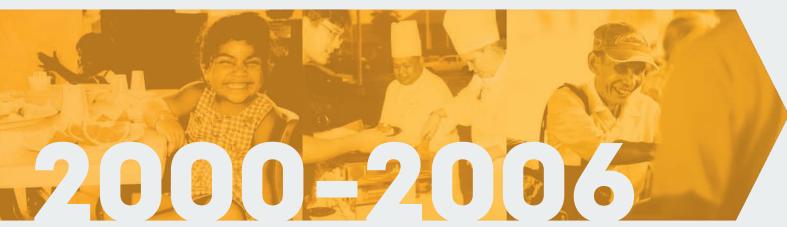

FOOD DRIVE DAY

Hawai'i Foodbank launched the inaugural Food Drive Day at Restaurant Row to help gather more food for those in need. It brought in 25,000 pounds of food and \$5,500 in monetary donations. One year later, Food Drive Day gained sponsorship and began expanding towards the statewide event it is today.

HURRICANE 'INIKI

Hawai'i Foodbank's response to Hurricane 'Iniki helped set a model for food bank disaster relief across the United States. Over the course of the next year, Hawai'i Foodbank distributed roughly 5 million pounds of food to an average of 12,000 people each month on Kaua'i – a quarter of the population of the Garden Island.

EXPANDING PROGRAMS AND IMPACT

Laying the groundwork for what would become Food 4 Keiki, Hawai'i Foodbank began taking steps to address childhood hunger by developing a partnership with Lanakila Elementary School in 2000 and launching Feeding Our Future, a summer lunch program, with Wai'alae Elementary School and the Sodexo Foundation in 2005.

Hawai'i Foodbank created signature events like the Golf Classic and Great Chefs® Fight Hunger to help develop relationships in the community and create new sources of funding.

In 2006, the Senior Farmers' Market Nutrition Program was initiated to provide more fresh, local produce to qualified kūpuna.

2023 ANNUAL REPORT 13 HAWAIIFOODBANK.ORG

BROADENING REACH

Hawai'i Foodbank launched the Food 4 Keiki Backpack Program, the state's first backpack feeding program, at Princess Ka'iulani Elementary School during the 2008-2009 school year. A decade later, Food 4 Keiki would expand to reach more students and their families through the School Pantry Program.

Hawai'i Foodbank Kaua'i officially opened its doors in 2011 to begin serving the people of Kaua'i directly.

Hawai'i Foodbank launched the Senior Food Box program in 2015, providing nearly 1,200 seniors with supplemental food boxes.

RESILIENCE AND EVOLUTION

Hawai'i Foodbank worked to establish a new baseline for operations, building upon the lessons of the pandemic and integrating best practices throughout the organization.

Initiatives created during the pandemic continued to thrive and evolve, including the Farm to Foodbank produce purchase program and Kūpuna Fresh. Hawai'i Foodbank also secured important funding to launch its SNAP Outreach program.

Hawai'i Foodbank updated its mission statement to include its goal of eliminating hunger for future generations: Our mission is to nourish our 'ohana today while we work to end hunger tomorrow.

2023 ANNUAL REPORT HAWAIIFOODBANK.ORG

STATEWIDE DISASTER RELIEF

Hawai'i Foodbank responded to record-breaking rainfall and flooding on Kaua'i and supported its partner The Food Basket in their response to the eruption of Kīlauea on Hawai'i Island. This work continued to establish Hawai'i Foodbank as an important disaster relief organization.

COVID-19 RESPONSE

In the first year of COVID-19 response, Hawai'i Foodbank distributed food for more than 21.7 million meals – more than doubling food distribution.

The pandemic forced the Foodbank to evolve its operational model and develop new partnerships – serving nearly 60% more people compared to before.

In 40 years of service, Hawai'i Foodbank has distributed food for more than 288 million meals.

Advancing work towards a future where everybody in Hawai'i has access to safe, nutritious and sufficient food, Hawai'i Foodbank launched a five-year strategic plan in 2022 with special focus on the following:

- **Nutrition Insecurity and Health:** Ensuring those we serve receive food for healthy, nutritious meals and investing in local agriculture through the Farm to Foodbank program.
- **Disaster Preparedness and Response:** Partnering with our agencies, DEM, KEMA, HI-EMA and FEMA to support emergency feeding needs.
- **Cultivating Partnerships and Networks:** Better supporting our agency partners and affiliated food banks across the state and engaging in collaborative food security efforts.
- **Expanding Efforts to Combat Hunger:** Broadening our approach to address the root causes of hunger, focusing on equitable access and filling gaps in service.

manger, rocasing on equitable access and mining gaps in service.

HAWAIIFOODBANK.ORG 2023 ANNUAL REPORT 15

At Hawai'i Foodbank, we believe that consistent, equitable access to safe and healthy food is a fundamental human right. We also believe that food is more than a basic need. Food provides so much more than just nourishment; it is a way for people to connect. This holds especially true in Hawai'i – where food connects us to family, celebrates our island cultures and is essential to thriving communities. Rooted in these beliefs, we envision a future where everyone in Hawai'i has access to safe, nutritious and sufficient food all year round.

EXPANDING OUR IMPACT

Our partners and supporters are instrumental to the work we are doing. It is because of these collaborative relationships that we have been able to expand our services to provide more nutritious and culturally meaningful options for our community while also establishing new initiatives that address the systemic reasons people need our services. Here are some highlights from last year:

FARM TO FOODBANK

The Farm to Foodbank program is one of Hawai'i Foodbank's signature programs. Through Farm to Foodbank, we are able to support our local food systems while also providing fresh, healthy, Hawai'i-grown food to those in our community facing hunger. Every dollar in the Farm to Foodbank program does double duty – allowing us to not only provide fresh, local produce and proteins to those we serve but also invest in local agriculture. This, in turn, provides a myriad of additional benefits: supporting our local farmers, helping to buoy our local economy and food system, decreasing our dependence on imported food, and more.

Last year, the Farm to Foodbank program distributed nearly 2 million pounds of fresh, local produce on O'ahu and Kaua'i. This included many culturally meaningful foods such as poi, 'uala, 'ulu and more.

SNAP OUTREACH

In partnership with the U.S. Department of Agriculture's Food and Nutrition Service, the Supplemental Nutrition Assistance Program (SNAP) helps low- or no-income households stretch their budgets by using SNAP benefits to buy groceries – allowing households to select foods that fit their dietary needs and preferences. In partnership with the State's Department of Human Services Benefit, Employment and Support Services Division, Hawai'i Foodbank launched the SNAP Outreach program in May 2023 with the goal of providing prescreening, application and recertification assistance to families and individuals in need of support. In addition to the direct service to the community, our SNAP Outreach team is also working to raise awareness about SNAP while reducing stigma and confusion about the benefits program.

In two months of service last fiscal year, our SNAP Outreach team on O'ahu and Kaua'i helped nearly 300 people take the SNAP eligibility prescreener. Of those, the team was able to help submit 46 SNAP applications and recertifications, which is attributable to an estimate of more than 25,000 meals.

Steadfast SUPPORT

Nearly every day of the year, our Hawai'i Foodbank **volunteers play a vital role in the flow of food** that comes through our warehouses. Inside the warehouse, volunteers inspect dry food and produce donations by checking the integrity of food products, sorting categories and boxing items for warehouse storage. This helps prepare food for distribution, so we can get it more efficiently to those in need. Warehouse volunteers also provide important administrative and clerical assistance. Beyond our warehouse walls, volunteers provide valuable support to our agency partners and assist with special projects and year-round events.

Our 'ohana of volunteers donated over 30,000 hours of service in 2023.

Last year, **our dedicated volunteers on O'ahu and Kaua'i worked more than 9,600 shifts.** The value of their time and energy would be comparable to hiring nearly 15 additional full-time staff members. This steadfast support allows Hawai'i Foodbank to focus more resources directly on our operations and programs.
